WAKEFIELD PUBLIC LIBRARY

To the Selectmen of Town of Wakefield,
Sanbornville, N. H.,

Dear Sirs:

Following is my report for the year ending June 30, 1938:

The circulation for this year has been 3,703 fiction books, 681 non-fiction and 1,331 magazines, making a total of 5,715. We have 318 borrowers and have added 63 new books. Several books have been bought for the Congregational Reading Club. We have loaned some to Union for this club and have also borrowed from Union. Books have been borrowed from the Concord Library and from the Bookmobile. The bookmobile began operating in Carroll County in April, calling at libraries, schools, granges, outlying villages. At stops 15-20 books are left and 6 or 8 weeks later the bookmobile calls and exchanges the books for another lot. A trained librarian is with the bookmobile and is a great help to the book service.

For the reading table we buy the following magazines:

American, Colliers, Forum, Good Housekeeping, Harpers, Scribners, Woman's Home Companion, Literary Digest which is now combined with Time, National Geographic, and Yankee. Two local newspapers are sent by the publishers, also N. H. Troubadour, Specialty Salesman, "Golfing" is sent by Courtesy of Country Club. Mrs. Nancy Paul gave Rochester Courier until last winter, then Mr. Mager continued to give it. Mrs. Wallace Wright gave Red Book. Dr. Louise Paul gives Readers' Digest and also late numbers of Red Book. Mr. and Mrs. John Roberts give Saturday Evening Post, Pathfinder and Ladies' Home Journal. Mrs. Grier gave odd copies of House Beautiful. Mrs. Mager gave Cosmopolitan. Miss Blake

and Mrs. Haskell have as usual remembered us with gifts of new books. Mr. Mager gives Congressional Record. Mr. Garney brought in pictures of Mr. Andrew J. Milliken and his wife who were parents of Miss Alice Milliken, our former librarian for thirty years, whose picture was also given and candelabras from the Milliken estate.

This year was sadly marked by the death of Mr. Henry C. Tibbetts, March 5, 1938. He was a member of our board for a long time—a charter member—and had always shown a very great interest in the library and its work both as a member of the Trustees and also as janitor. His place as janitor has been filled by Mr. Schuyler Pike for a short while and by Mr. Frank Garney.

Respectfully,

RUTH E. TUTTLE, Librarian

UNION FREE LIBRARY

To the Selectmen of Wakefield,
Sanbornville, N. H.

Gentlemen:

The Union Free Library has been open Saturdays throughout the year, also Wednesday during July and August.

For the year, the average weekly circulation of books has been 70.

Life, The Readers' Digest, Harpers, National Geographic, Popular Mechanics, Good Housekeeping, Ladies' Home Journal and Home Arts have been loaned for circulation. McCall's, Pictorial, Woman's Home Companion, and The Missionary Herald, are subscribed for.

The Book Mobile has been of great value in supplying books. The State Library Commission has very generously loaned many children's books.

Our purchases have been books of lasting value for children, books on the 1938 Congregational Reading list, the "best sellers" in fiction and non-fiction, and light fiction.

For another year all librarian and janitor service has been gratis. We especially appreciate the work of Mr. Carl Durgin and Mr. Myron Johnson, who are building our fires during the winter.

Respectfully submitted,

BLANCHE H. BARBOUR,
Clerk.

Union, N. H., Jan. 31, 1939.

GAFNEY LIBRARY

The Librarian of Gafney Library submits the following report.

The library has been open on schedule time the past year and many of our people have enjoyed the use of the latest books as well as the ever popular old ones. A food and candy sale was held the first of the summer and with contributions from two of our local residents and one summer visitor we were able to buy a few of the best sellers.

Mr. Herbert Kennett, Rev. Mr. Simmonds, The Woman's Club and the Men's Community Club have given books that are much enjoyed. Through the generosity of the late Mr. Charles Dawson, it was possible for us to have our Carroll County History rebound in two volumes. This is a valuable record and should be preserved. The Bookmobile has left books at the library for circulation and the Union Library has loaned some of its latest books for our use.

Mrs. Lillian Edwards and Mrs. Harry Lane have given some of the current magazines and others are sent directly to us from the publishers.

The circulation for the past year was 4225 and number of books catalogued 80.

SUPERINTENDENT'S REPORT

To the School Board of Wakefield:

I herewith submit my second annual report as superintendent of schools.

I see boys and girls come to our schools, pass through the grades, graduate (or drop out) and go into higher schools or to work: **and then!!** Well, what then? Have the needs all been met as far as possible? Is the life well balanced? Is there proper preparation for economic and social life? Is he a good citizen? Can he meet the new problems of the day?

Someone has said, "The fact that some pupils move through our usual school classes, year after year, with personality characteristics apparently unchanged, is probably to be interpreted to mean that the usual school routine has not touched the deeper levels of their life at all. The school which sets out to know the whole life of its students, and to help them at their points of greatest need, will find an extraordinary opportunity to be of aid in improving

relationships with other people." Our schools are doing fine work along these lines, but they cannot do it all.

Leadership is needed and we have some fine examples and splendid efforts. "Leadership depends on the ability of the leader to live with, enjoy and direct the life of vigorous youth; together with an idealism and an understanding which guides young people to a worthwhile, efficient maturity and adult life."

Unquestionably the first and most important influence in the child's life is the home—his home—and other homes, which make up much of his social environment in rural areas. According to a recent survey only 3% of the single youths now living at home expressed a preference for living away from home. Only a few said they did not want families and homes of their own. It would seem, then, that the home will remain as an institution—the fundamental social unit.

The schools of Wakefield are in good condition. Many pupils are going out into surrounding high schools. The number in the fall was as follows:

Rochester High School	37
Nute High School	6
Farmington High School	2
Austin-Cate Academy	1

In our health work we now have the services of the Red Cross nurse, Mrs. Irene Jones. Her report is appended.

School property is in good condition, kept so by repairs during the summer vacation each year. There is special need that water and flush closets be installed in the Grammar School Building. A fine installation has been made in the Primary Building.

I would repeat my recommendation of last year that a very desirable addition to our school system

would be the organization of a Junior High School, made up of grades VII, VIII and IX. This would give added advantages to grades VII and VIII and would keep grade IX in Wakefield for another year, saving the town tuition expenses. Parents would also be saved the expense of transportation of pupils in grade IX. It is estimated that \$2000 would be required as an initial expense for remodelling the Grammar School Building and providing proper equipment.

Visual education has been continued. The superintendent has been able to show several motion picture films bearing on such subjects as connect with school work. It is said that we learn more through sight than through any other sense.

There has been no change in the teaching staff since the last report. The same competent teachers are carrying on the work.

For the year ending June 30, 1938, we had an average attendance of 153, an average membership of 160, and a percent of 95.8.

Schools having 95% or over are as follows:

East Wakefield	98.4%
Wakefield Corner	96.5%
Sanbornville 2nd Primary	96.5%
Sanbornville Grammar	95.9%
Sanbornville Intermediate	95.4%
Union Grammar	95.4%
Union Primary	95.2%

Roll of Perfect Attendance

Union Grammar: Glendon Nason, Fred Downs.

Union Primary: Maurice Nason.

Wakefield Corner: Edward Budroe, Rolene Davenport, William Maleham, Jr., Leona Spinney.

East Wakefield: Barbara Chick, Ralph Chick, Russell Cox, Pauline Sanborn, Harry Weeks.

Sanbornville Grammar: Pauline Dodier, Marion Soucy.

Sanbornville Intermediate: Barbara Milner, Russell Thompson.

The following graduates from the Wakefield schools are in attendance at high school:

Rochester High School

Lillian Atherton, Elizabeth Bean (Rita), Beryl Berry, Stella Berry, Luella Burroughs, Ralph Chick, Frances Corson, Raymond Corson, George Davenport, James Davenport, Winnefred Downs, Constance Drew, Ernest Drew, Esther Drew, Margaret Drown, Earl Garland, Elizabeth M. Garvin, Donald Hanson, Waldo Hanson, Robert Horne, Virginia Kimball, Wallace Kimball, Vinton Milner, Carolyn Lang, Glendon Nason, Pauline Nutter, John Pratt, Walter Stevens, Catherine Tuttle, Irving Tuttle, Alfred Weeks, Lawrence Weeks, Roger Wentworth, William Wentworth, Albert Wiggin, Haven Wiggin, William Willey.

Austin-Cate Academy: Gilbert Cox

Farmington High School

Hope Weeks, Mildred Garland.

Nute High School

William Powell, Alphonse Soucy, Rita Lamie, Olida Soucy, Florence Adjutant, Addie Karcher.

The following students are attending post-secondary schools: Florence Sanborn, Sargent School, Boston; John Chapman, University of New Hampshire; Ralph Burrows, University of New Hampshire; Helen Grace, Plymouth Normal School; Evelyn Drown, in training at Dover Hospital.

It is very wise for students to go further in their education than the regular high school course, whenever possible.

In conclusion, I wish to thank the school board, teachers, pupils and citizens for loyal and helpful support and cooperation.

Respectfully submitted,

F. W. JACKSON
